

Bi-weekly Report-3

Team Members:

Sindhu Sree Aita
Sucharith Reddy Desireddy
Aishwarya Reddy Dwaram
Madhura Ganga
Vineethkrishna Vemireddy
Avinash Senthil Kumaran

Completed Tasks:

Sindhu Sree Aita	<ul style="list-style-type: none">• Data preprocessing for visualization-3 and its development
Sucharith Reddy Desireddy	<ul style="list-style-type: none">• Worked and completed visualization-4 development
Aishwarya Reddy Dwaram	<ul style="list-style-type: none">• Worked and completed visualization-2 development
Madhura Ganga	<ul style="list-style-type: none">• Worked on the web page of the visualizations and added different interactions.
Vineethkrishna Vemireddy	<ul style="list-style-type: none">• Data preprocessing for different visualizations and worked on the basic structure of visualization-5
Avinash Senthil Kumaran	<ul style="list-style-type: none">• Updated visualization-1 with different interactions.

Current Tasks:

Sindhu Sree Aita	Working on visualization-5 and its data preprocessing
Sucharith Reddy Desireddy	Integrate developed visualizations into the application
Aishwarya Reddy Dwaram	Working on team final report
Madhura Ganga	Working on team final report

Project: VAST 2010 MC2: Characterization of Pandemic Spread

Vineethkrishna Vemireddy	Working on visualization-5 and its data preprocessing
Avinash Senthil Kumaran	Testing the application after integrating the developed visualizations

Remaining Tasks for Project Completion:

- Integrate all the visualizations and test
- Integration of code.
- Team report and demo video.
